Our motto, “**Quality First,**” reflects our commitment to excellence in every project we undertake. It is what enables us to look back on our work with pride, knowing that each project represents the quality, craftsmanship, and reliability of **Al Dow Contracting Company.**

Welcome to Al dow Contracting Chairman's Message

It is my pleasure to welcome you to **Al-Daw Contracting Company (AD)**, a Saudi company specializing in interior design, fit-out and finishing works, construction, and project management.

Our journey has been built on the core values of client satisfaction, quality, precision, and commitment to deadlines. These principles have earned us a distinguished reputation for delivering exceptional projects that meet—and exceed—our clients' expectations.

Our success is driven by a highly skilled and dedicated team that upholds the highest standards of professionalism, integrity, and continuous improvement. With the recent establishment of our **Project Management Department**, we have further strengthened our capabilities in planning, coordinating, and delivering integrated **turnkey projects** efficiently across the Kingdom.

We remain committed to creating sustainable value for our clients through innovative solutions, quality execution, and trusted long-term partnerships.

Thank you for your time and interest in learning more about **Al-Daw Contracting Company**.

- **Al-Daw Contracting Company (AD)** is a Saudi company established in 2026 through the transformation of **Faisal Al-Daw Contracting Establishment**, originally founded in 2012. Headquartered in Jeddah, the company specializes in interior design, construction, and fit-out services.
- Over the years, the company has earned a distinguished reputation through its commitment to delivering high-quality projects within agreed timelines. In every project, we uphold the highest standards of quality and professional craftsmanship, with meticulous attention to detail throughout all stages of execution.
- Our team comprises highly qualified professionals who work from a fully equipped studio designed to develop innovative and practical solutions that meet clients' needs and achieve the highest levels of satisfaction. We apply our expertise to the planning and development of interior designs for a wide range of spaces, from small-scale projects to large, multi-story office buildings.
- Through our flexible and innovative approach, we efficiently address the requirements and challenges of modern workplace environments, delivering projects on a **turnkey basis**.
- We also provide specialized and integrated procurement and fit-out solutions for business chains, branches, and agencies, ensuring the right balance between aesthetic identity, operational requirements, and economic efficiency.
- As part of our ongoing growth and commitment to enhancing project delivery, we have established a dedicated **Project Management Department**. The department is responsible for planning, organizing, monitoring, and supervising every stage of execution, ensuring compliance with quality standards, budgets, and project schedules while achieving the best possible outcomes for our clients.
